Dear Mr. Ashley:

This letter is to acknowledge receipt of your June 1, 1983, letter requesting amendments to your facility's hazardous waste notification. The Department approves the following changes based on that submittal:

1. Change the installation contact to Glenn A. Brook, Environmental Coordinator.
4. Deletion of F002, and F009 from the hazardous waste listing.

This constitutes final approval by both the Environmental Protection Agency and the Department of Environmental Quality in accordance with current policy.

Sincerely,
